Fittings for Suction & Delivery Hose

- A range of general purpose fittings for wire whipping – hose clipping, etc., and all generally based on BS 2464.
- Fittings depicted and sizes shown are those for which we have found some demand; for actual stock items consult our comprehensive price list.
- All stock fittings are manufactured in 316/316.L stainless steel.
- Fittings in other grades, including Monel, etc., can be made to order. As all fittings are manufactured in our own works, which are equipped with the latest CNC machining centres, quick deliveries can be offered.
- Part numbers quoted for flanged items refer to 150lb Class ASA – for other styles of flanges consult our Sales Department.
